Total Projects	Location	Proposed Investment (Rs in Cr.)	Employment	Proposed Year of Commencement
6	Kachchh District	20 Cr.	155	2017

Project Description:

1. To set up post graduate courses in different branches of medical education with approval from Ministry of Health & Family Welfare, Govt. of India, New-Delhi. The primary focus will be on broad specialties like General Surgery, ENT, Pediatrics, Obstetrics & Gynecology, Microbiology, Pathology, General Medicine, Orthopedics, Ophthalmology, Radiology and Anesthesia; to cater the health needs of the community and to meet the objectives of the national health policy. The total amount spent on Infrastructure, Human Resource, equipments etc is Rs
2. To start an appropriate awareness, education and capacity building programs on emergency conditions like road traffic accidents. This will serve as a vital emergency management information to raise societal awareness about such life threatening conditions. A well-equipped trauma center will also be established in the premise of G K General Hospital to provide modern quality care for these condition. This program will promote and provide the right emergency response mechanisms in community and thus save lives and reduce the economic impact to Kachchh, the largest district of India.
3. To conduct training programs, workshops & seminars for paramedics and doctors to promote ethical practices in healthcare.
4. To set up a Student Counselling and Development center in the University premise to assist students in maintaining their optimum level of physical and mental health. This center will also assist in providing counselling for **stress disorder, Tobacco/Alcohol/Drug abuse, and sexual health.**
5. To set up Research & Development facilities for advance Health Care Facilities.
6. To set up advanced skill lab

This Memorandum of Understanding is made to facilitate Gujarat Adani Institute of Medical Sciences for establishment of the aforesaid project in Kachchh-Gujarat.
